

YACHT CLUB CALA D'OR

WEDDING REVIEW

Jonny & Natalie – June 2013

To Luis, Sergio, Sylvia & all the staff at Cala d'Or Yacht Club

I find it very hard to put into words our sincere thanks to ye all, for making the best day and time of our lives so special. I know it is the norm to thank the venue and staff of any wedding but to be honest, this wasn't just any wedding this was the best party/ wedding, anybody could have asked for or dreamt of.

A year previous to our day, we arranged a meeting to meet luis, and in him we have made a very special friend, always so helpful and very professional, I can not speak highly enough of him. Luis showed us around the whole club, with its amazing views, garden and decking area, we both fell in love right there and then. A quick chat, and we pretty much agreed there and then we would be back in a year to get wed.

Through out the year, a few emails and fewer phone calls, always reassuring us that our choice was the right one, nothing ever was a problem, and as Sylvia always said, "no problems only solutions" and she was right. Luis sorted absolutely everything for us, from booking the church, organising paperwork, priest, car hire buses, equipment hire, the man was brilliant. I can't thank him enough.

We arrived to Cala d'Or a week before the big day, we had one or two quick meetings to finalise the last few bits but I always knew everything was going to be fantastic and it was. We were always treated so nice a felt very special every time we went to visit the club. Sergio is an absolute gentle man and Sylvia is a genius, beautiful lady.

YACHT CLUB CALA D'OR WEDDING REVIEW

Jonny & Natalie – June 2013

Cont/d

Our guests were blown away with the whole club... The decor and layout of our outdoor wedding will be talked about for years and will stay with Natalie and I for the rest of our lives... The food was very tasty and everyone ate together with nobody waiting on food. Dessert was to die for (I have a very sweet tooth) as was our chocolate fountain (a must for everyone). Cocktails were top class too. We danced well into the early hours and never felt pressure from anybody at the club to finish up, which is a great thing when you have over 100 Irish at your wedding, so relaxed and laid back. Best time of our lives

As I said at the start, it's very hard to put into words how great full we are to all involved. We will definitely be back to see all our new friends in the yacht club soon.
