

YACHT CLUB CALA D'OR

WEDDING REVIEW

Kadie & Jonathan – June 2013

Hi Claire,

Now that all the wedding madness has died down I just wanted to you a review. The professionalism of yourself and the staff at the yacht club particularly Sergio, Luis and Sylvia has been outstanding. The friendly nature and desire to get everything perfect really put me at ease when I met with the staff a few days before our wedding. Every little detail was discussed and we were made to feel like we were the only wedding to have taken place at the Yacht Club.

The venue itself is gorgeous and the food was lovely. The tapas starter went down very well and was like a meal in itself! The meringue dessert I requested to be displayed for us to cut was almost identical to the image that I sent. The waiting staff on the night were very friendly and provided excellent service.

The DJ advised by yourself played the music we requested along with a particularly special request!! He did a great job.

The photographers that you advised Richard and Hannah were also fantastic, they fitted into the day perfectly and had such a great professional and yet down to earth nature we ended up feeling like they were guests. They set an area for guests to leave video messages and this worked really well. They worked tirelessly all day and the sneak peak I've seen of the photos they took are great.

We used Black Rose Mallorca for the flowers and although they arrived at 1pm even though we were expecting them at 10.30 and we couldn't get hold of Andrew to ask where he was, the flowers and candles looked very pretty.

Thank you to everyone at the yacht club for helping us to make our wedding the special day that it was.

Love from Mr and Mrs Cory (Kadie and Jonathan) xx
