

Ellie & Andrew – 28th June 2015

Helloooo Claire!!

How are you?

I just want to thank you and Sergio, plus the whole team including all the bar and waiting staff who made are day the best day ever.....and we are a fussy couple!!🙄

The 'sax' situation was fab!! Everyone commented and loved the tubes, more importantly he played our favourite requested, 'hard to find' song! Thank you for putting all the effort for this alone. It may have seemed trivial but it was extremely important to us and you managed to do everything to pull it off. Thank you for that. All our guests said 'even posh and becks would have a hard job living up to that' I'll take that and run with it! 😊

Even when we came two days later for my 'new husbands' birthday Sergio and the staff made it so special and we felt like VIP's!!

Can't wait to come back next year.

This is the best place ever!!!

Thank you so much Yacht Club Cala d'Or
