

Gareth & Clare – 28th October 2015

Hi Claire

This is a belated message and sorry it's taken so long.

Just wanted to say a massive thank you to you and the team at the yacht club for making our day so special. There was nothing we regret about the day. So happy we had our big day there. It was well organised all throughout. So thank you...

You made planning our day so straightforward. We are so glad we took on your suggestions.

We've received our photos from Richard and Hannah. They are amazing. I'm intrigued to see the ones the Luis took on the day. They are not on the Facebook page yet. Will be great if they could share them with us...

Thank you again for everything. The day of our lives.

Clare and Gareth
Xx
