

Janine & Paul – 6th June 2017

My husband and I will never forget our wedding day at the Yacht Club. If you want to do your wedding in style and have your special day talked about for years to come you MUST have your wedding here!!

From start to finish everything was perfect. I was asked on so many occasions why I was so calm when my wedding was abroad, but when your wedding plans are in the hands of Luis, Syliva and Claire you will see what it's like to be stress free and enjoy every minute of your day.

Every detail that we asked for was adhered to. Everyone went above and beyond our expectations. I would recommend finesse package with BBQ and free bar, you will not be disappointed. You must use Hannah and Richard for photographs their service is excellent.

Looking back on our day there is not one thing we would change and we would relive this day over and over again that's how perfect it was.

One tip to brides, make sure you spend a few extra days in the island after your wedding and book a night in yacht club for dinner, you will not be disappointed.
