

## Katie & Graham – 29<sup>th</sup> May 2016

We got married here on 29th May this year.

I can honestly say choosing to have it at the Yacht Club in Cala d'or was the best decision we have ever made. Everything was made so easy for us and all of the staff are so talented and so dedicated to making the day so special.

Having Claire help us to organise was a God send, she is so hard working and talented and nothing was ever too much. Anything that we wanted organising was no problem and she would suggest options for anything we were interested in and book on our behalf.

We married in the church in Cala d'or with the beautiful and lovely Linda Cade who did the ceremony for us and it was absolutely perfect. We had arranged for the mini train to pick up guests from the church to the yacht club, Claire booked this for us and it arrived on time and the driver was so friendly.

Every part of the day went to plan, the staff cannot do enough to help you and make you feel so special and like you are their friends even though they have a wedding nearly every day!

Sylvia is AMAZING, she organised my flowers from me sending her some photos and they were perfect, and she decorated the room to make it beautiful, and even dry cleaned and pressed the groomsmens' suits for us!

The food was gorgeous and service was amazing, making sure guests drinks were always topped up.

We brought in our photographer and musician from the UK and the Yacht club were so welcoming to them and we never felt pushed into choosing their suppliers.

Special mention to Drago who made the evening a great success and was on hand for the whole night, even organising paella and prosecco to be sent up to our room - he is a star.

Overall it was the best day of our lives and we would never have done it anywhere else, if you are considering having your wedding in Mallorca, look no further and book now I promise you will not regret it.

Thank you so much to all of the staff you have truly made our day perfect and so memorable, we are so grateful to you all.

We wish we could do it all over again!

Lots of love Katie and Graham (Mr and Mrs Smith!)
