All these activities can be booked through Reception and further details will be available nearer the time. Some of the activities are limited on numbers so make sure you book early to avoid any disappointment.

We have tried to include something for everyone, we hope you like it..

From Thursday 25th June,
Happy Hour

summer season

As well as the activities mentioned above, we have more new and exciting things happening at the Club.

See Page 2 for news of our Tapas Bar and Chill Out Lounge opening. Also our new massage service, either in-house or on-board your boat.

GAZEBO

I am sure those who have been to the Club in the past few months have noticed the gazebo we have had built in the gardens.

We will soon be offering the chance to book a **PRIVATE DINNER** in the gazebo. We will set the table up inside, with flowers and lights. Then you will have your own waiter to serve you and your dinner cooked by your own personal chef. All you need to do is relax and enjoy the stunning views.

Perfect for a special anniversary, birthday or perhaps a proposal.....!
