

Dionne & Michaela – 19th September 2015

Hi Claire,

We don't know where to start to begin to thank you & all the team for what was the most amazing day of our lives!!

Everything turned out absolutely perfectly! All our guests said it was the best wedding they have ever been to and we know they mean it!

Thank you soooo much for all your hard work with organising everything for us, you are amazing at what you do and your hard work ensured that our day was everything we wanted it to be and surpassed our expectations ten -fold! We can't find words to express our gratitude, the whole day was overwhelming.

It was apparent from the onset that the whole team are so passionate and professional. We met with Sergio, Luis, and Sylvia on the Wednesday as planned and they reassured us that everything would be just as we had planned it with you, our minds were put at ease and we felt confident knowing the team were entirely committed to ensuring our day would be spectacular.

Sylvia was absolutely amazing by the way, she is so creative and has such passion for what she does, we almost had a melt down because we couldn't get the colour flowers we wanted but she improvised with a creative mind and a feather boa (lol) and everything turned out perfectly.

The service was so moving and the Gospel Choir was absolutely fantastic, they made it! Luis told us that the Yacht Club Team were really moved by the service and apparently even the celebrant got emotional at one stage.

Everyone said that everything was perfect, the food, the service, the team, the band, the decor, Richard (photographer), absolutely everything!

I'm not sure if you have seen the photos that Luis sent us yet? If not I will forward them to you, we also have loads of lovely pics, we will send you some if you would like?

Anyway we just wanted to thank you for all that you did to make our day the best it could have ever been, we both agree that there is absolutely nothing we would have changed or done differently, the day was perfect just as it was!!!

Thank you so much Claire

Dionne & Michaela
