

Nicola & Vinesh – 14th August 2015

Hi Claire,

Hope you are well.

Where do we start!!!! We want to say a massive thank you for everything you have done for us in the run up to our wedding, the communication throughout was fantastic, everything we wanted and spoke to you about was all arranged with such fine detail that there was nothing we needed to alter or add when we met with Sergio and Luis a few days before we married.

On the day of the wedding it was raining, we couldn't believe it, not only that, thunder came with it as well, after a week of glorious sunshine then this happens on the big day, needless to say I was panicking all morning, Luis was amazing, continuously checking the satellite weather for me, his reassurance that by 4pm the sun would appear was second to none. Sure enough by 3:45pm the sun broke and it was boiling, we couldn't believe our luck, it lasted all the way through the ceremony, drinks on the terrace afterwards and whilst Venesh and I were whisked away to have our pictures taken at the 'fort' in Cala Egos, (the picture were amazing, Richard & Hannah said they were the best contrasting pictures they've ever taken), anyways by 6:45pm we were returned to the Yacht Club where guests were awaiting and the fantastic meal could get underway, at this point the heavens opened once again. By the time the meal and speeches were over and we entered into our evening reception it was completely dry, stars in the sky (the lot). We could not have asked for it to go any better than it did and no one would believe our luck unless they were there experiencing the weather with us.

Sylvia was amazing, her flowers were just perfect, I cannot recommend her enough, AMAZING, everyone commented on them. Our music decisions were spot on, Luis' recommendation for the Spanish guitarist was exceptional and a real talking point for all our guests, this is also said for our night DJ 'Paul Martin' he as great, any requests were granted and the playlist was just what we requested.

We decided to go with Richard & Hannah for our photos and to be honest this was the only worry of mine as it is often hard to know how well any photo will come out let alone our wedding day ones, I need not have worried at all, they were both amazing, fantastic, brilliant!!! So Professional, they knew exactly what would look good and were really efficient throughout. We cannot wait to see all our photos when we receive them.

We just want to say a massive thank you but really this isn't enough at all, we had the best day ever and would do it all again in a heartbeat.

If there's anything that we can do for you or the Yacht Club in the future then please call us, we would be honoured to repay all the hard work you all have done for me and Venesh.

Kind Regards

The new Mr & Mrs Luhar
