

Stacey & Martin – 4th September 2015

HeIIIIIIIIlooo Claire,

Firstly can I just apologise that I'm only just getting back in touch with you now! After the wedding I started a new job which has literally taken up all my time! (That's no excuse though)

Anyway I hope your keeping well, bet your ready for a good long rest now that all the weddings are done.

As for my wedding day.... Well what can I say it was just simply perfect everybody loved it & so did we, but none of it would of been possible without your amazing help & the help from all the team at the yacht club.

You made the whole process stress free & relaxed for me & you was there whenever I needed advice or help choosing colours, flowers etc, this also made Martin's life easier because he didn't have to deal with a stressed me!!! Lol 😊

I will write a proper review in the next couple of days & email it to you so you can use it on the facebook or website whichever.

Thank you again Claire, you really are a star.... I mean that 😊

Love Stacey xxxx
